PROFESSIONAL EXPERIENCE

Junior Web Developer | **Still Media Group** — **Aug 2018 – Mar 2019**

- Designed web-based templates using WordPress, contributing to a reported 30% increase in website engagement and user interaction.
- Prospected small businesses and supported lead generation, client acquisition, and new business partnerships.
- Researched market trends and digital media opportunities to help improve online brand visibility.

Recruiter | **Hamilton Connections** — **Apr 2026 – Present**

- Manage full-cycle recruitment for manufacturing and warehouse roles, from sourcing and screening through interview coordination and placement.
- Use high-volume outreach, talent pipelines, and applicant tracking systems to organize candidate information and support hiring workflows.
- Coordinate with clients and internal teams, translating workforce needs into clear candidate requirements and timely next steps.

PROFESSIONAL EXPERIENCE · CONTINUED

Additional experience demonstrates transferable strengths in communication, training, documentation, operations, customer service, and process improvement.

Talent Acquisition Coordinator | **SmartStart Education LLC.** **Jul 2025 – Oct 2025**

• Coordinated educator recruiting, interviews, onboarding documentation, and staff support while maintaining accurate records and payroll-related information.
